**ZONING PERMITS ARE AVAILABLE AT THE MUNICIPAL OFFICE, 68 CENTER STREET, CARROLL, OHIO 43112. IF YOU NEED FURTHER INFORMATION, PLEASE CALL THE MUNICIPAL OFFICE AT 740-756-4031**

If you are interested in building on an existing or proposed structure it must be approved through the Zoning Board. In order to obtain approval:

1. An Application for a Zoning Permit must be completed.
2. Building Plans must be submitted in triplicate with an approximate scale showing dimensions of existing and proposed structures.
3. Property pins must be uncovered so the Zoning Inspector can visually verify location of proposed structure and/or change in relationship to property lines and existing structures.

Please note: Commercial, Light Industry or General Business structures must provide a complete set of State approved plans with a state seal of approval by the Department of Commerce or the appropriate state agency prior to village approval.
